Re: Your request for maps and aerial photos of Kennecott Copper Mine

Dear Mr. Pierce:

I reviewed the files we have on Kennecott Copper Mine and we have several maps of different areas in our file, therefore more specific information would be necessary to fulfill your request.

Doug Jensen, of our Minerals Program, suggests contacting Kennecott Copper Mine directly to obtain information on aerial photographs and early mine maps.

Please feel free to contact Doug Jensen (801) 538-5382 or myself at (801) 538-5257 if you have any other questions.

Sincerely,

Penny Berry
Office Technician
